Feels (feat. Khalid) WATTS x Khalid

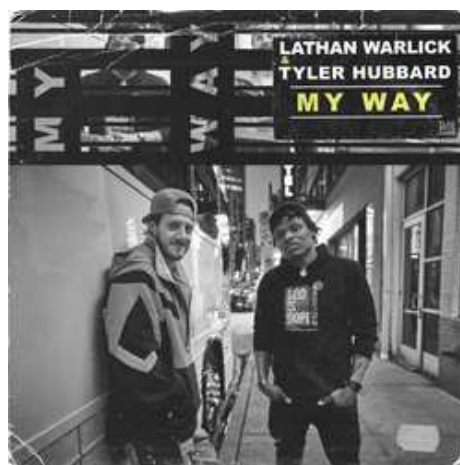

This collaboration came about by sheer chance. Khalid found the solo version of the song while looking for new music and reached out to Watts. The rest, as they say, is history – and magic! Give it a listen.

Satchmo's Best: A Louis Armstrong Playlist

There are many things one could call Louis Armstrong – legend and virtuoso are just two words that come to mind. Aside from being a colossal force in jazz, Louis also was the first African-American to get featured billing in a major Hollywood film. Rediscover his brilliance and skill with this playlist.
